Moving mountains to move the world with Berge Bulk and PTC

Mr. Callum Sinclair, Berge Bulk's Chief Financial Officer & Head of Corp Services, visited First Maritime Place on May 25 to meet with the management team of PTCi and hold discussions on current and planned crewing and recruitment strategies, as well as branding and marketing communications initiatives to attract more Filipino talent to sail onboard Berge Bulk vessels. Joining him was Ms. Bong F. Regalado, Marine HR Manager of Berge Bulk.

Berge Bulk is one of the world's leading independent dry bulk owners. The company owns and manages a fleet of 85 vessels equating to over 13 million DWT. Its fleet ranges from handy-size to cape-size to some of the largest vessels ever built – serving the major miners, steel mills, and charterers of the world.

PTC and Berge Bulk began their partnership in 2020, with a shared vision of moving mountains to move the world through safety, efficiency, and reliability onboard.
