

PHILCAMSAT showcases The MAST for Teambuilding Program

Showcasing its own facility in Maragondon, Cavite, PHILCAMSAT held its teambuilding program last November 26, 2022. This year's program is anchored on the theme 'RISE-UP" highlighting the importance of 6 critical elements for developing and sustaining a high-performing team: Resilience, Inspiration, Simplification, Execution, Unity, and Purpose. The team-building activities were also designed to promote cohesive and collaborative efforts from the members of the four participating teams.

The program ended with the processing of activities and sharing of key learnings. The event was successfully held through an external facilitator, co-facilitated by PHILCAMSAT's Behavioral Program Head, Mr. Mark Que. For inquiries about corporate teambuilding and venue requirements, please email salesteam@philcamsat.com.ph.
