

Sea Mariners conducts onboarding training for Iloilo and Noveleta ships

**Sea Mariners Noveleta
October 21**

PTC conducted the onboarding training for the members of its Sea Mariner ships in Noveleta and Iloilo. Onboarding training is one of the activities of the Sea Mariners program which aims to empower the youth by developing their leadership skills. The training includes an introduction to the PTC Group, the importance of youth involvement, running an organization, and an overview of the United Nations 17 Sustainable Development Goals (SDGs).
