

SEPTEMBER 30, 2022

*The PTC Group join hands with Servathon for Taguig children's safe and positive return to school*

Twenty-five volunteers from the Shipping and RED clusters came together at the Legaspi room on September 29, 2022 to represent The PTC Group and support Hands on Manila's "Servathon 2022." All participants brought their creativity and compassion to the forefront.

Together, they created fifty (50) colorful and vibrant storage boxes and hygiene kits with maritime themed designs and messages to inspire students returning to Ricardo P. Cruz Sr., Elementary School in Lower Bicutan, Taguig City.

Personnel from the PTC Group have volunteered in Servathon since 2009.
